With these parameters from the Amélia block – Catalog View:

[ameliacatalogbooking service=3,4,5 show=services trigger=cours_tot trigger_type=class in_dialog=1]
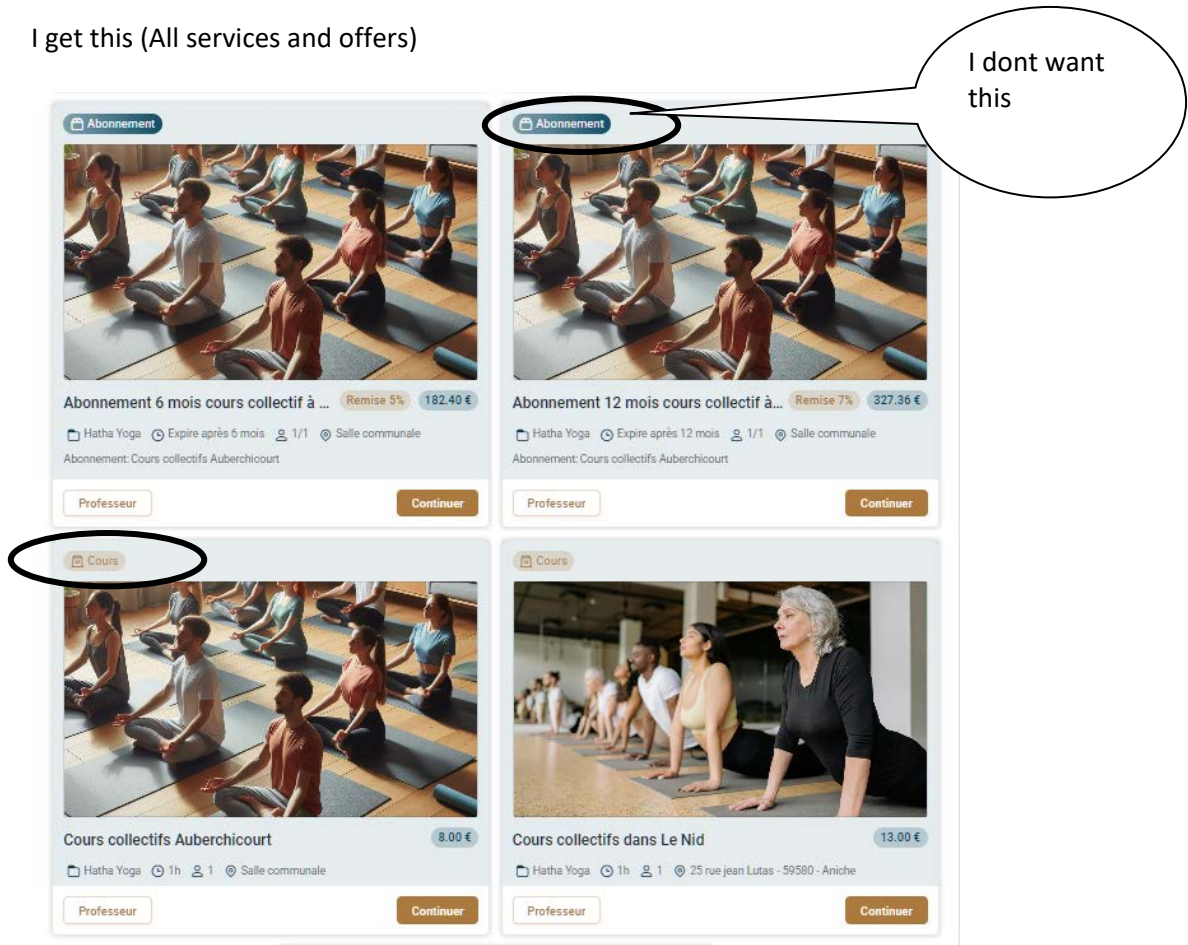

I get this:

Services available

By clicking on "continue", I obtain the following details but without the offers linked to the service offered:
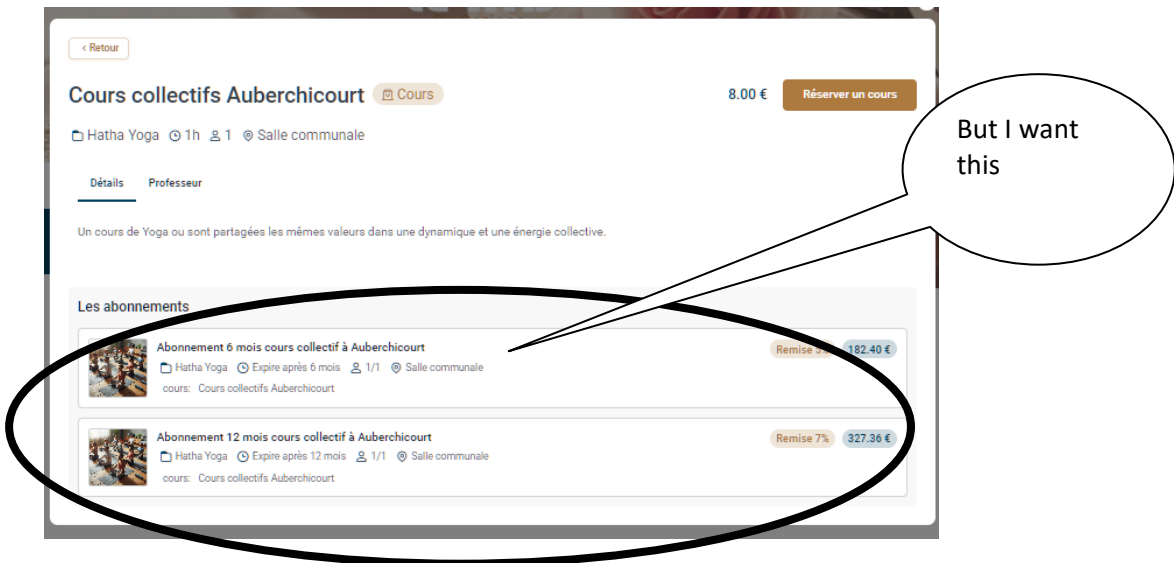

With these parameters from the Amélia block – Catalog View:

[ameliacatalogbooking service=3,4,5 trigger=cours_tot trigger_type=class in_dialog=1]

I get this (All services and offers)

En cliquant sur « continuer », j'obtient le détail ci-après **avec les offres** liées au service proposés :
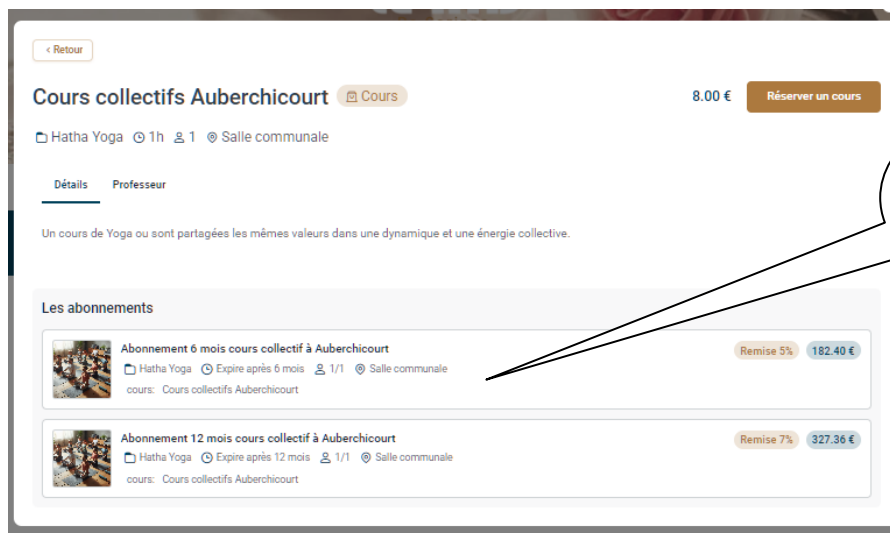

I would like to obtain:
 Services available

I want this

By clicking on "continue", obtain the details below with the offers linked to the service offered:

and I want this
