

I can see data on the page, but when I filter the search, no results are found  
You can see the Morrison, Morrie data displayed here

	<b>choreographer</b> ▲	<b>rhythm</b> ▲	<b>ph</b>
	choreographer	rhythm	pha
	Morrison, Morrie		

Then search for exactly that and “No Records Found”

▲	<b>choreographer</b> ▲	<b>rhythm</b> ▲
	Morrison, Morrie	rhythm
